Sustaining Environment & Empowering Women

This program was executed with the help of Impact and Ecovadis .This covers the key areas of Labour standards ,health and safety ,the environment and business practices .

Sustainable Sourcing is the commitment to drive down the environmental impact of raw materials ,advance respect for Human rights across our value chain and to help lift work force out of poverty.

Through the sustainable sourcing programme , we assess supply chain risk ,monitor supply chain conditions ,provide training and tools , collaborate with others to make progress on key industry wide issues. Our goal is to reduce environmental impact with what science says is necessary to keep the planet healthy.

Our Goal is to meaningfully improve the working lives of people in our value chain to enable them to thrive.

Our goal is to advance science , innovation and marketing in ways that help people lead healthier , happier lives.

The health of our associates is our utmost top priority and we take care of their health and safety through various mediclaim plan's and safety measures in our facilities .

Michael foundation which is started in the memory of our CMD's Father in 2006 supports the education of all our associates children.

Employee Engagement And Empowerment

Uniworld's high emphasis on employee engagement and empowerment through business, cultural and social activities has resulted in a highly active, motivated and engaged team which is completely aligned with the organisation's objectives. Some of the following examples of this is as follows,

Team choosing their targets by themselves which is always higher than the top management's expectations.

Team highly punctual and proactive in providing reports, feedbacks and ideas.

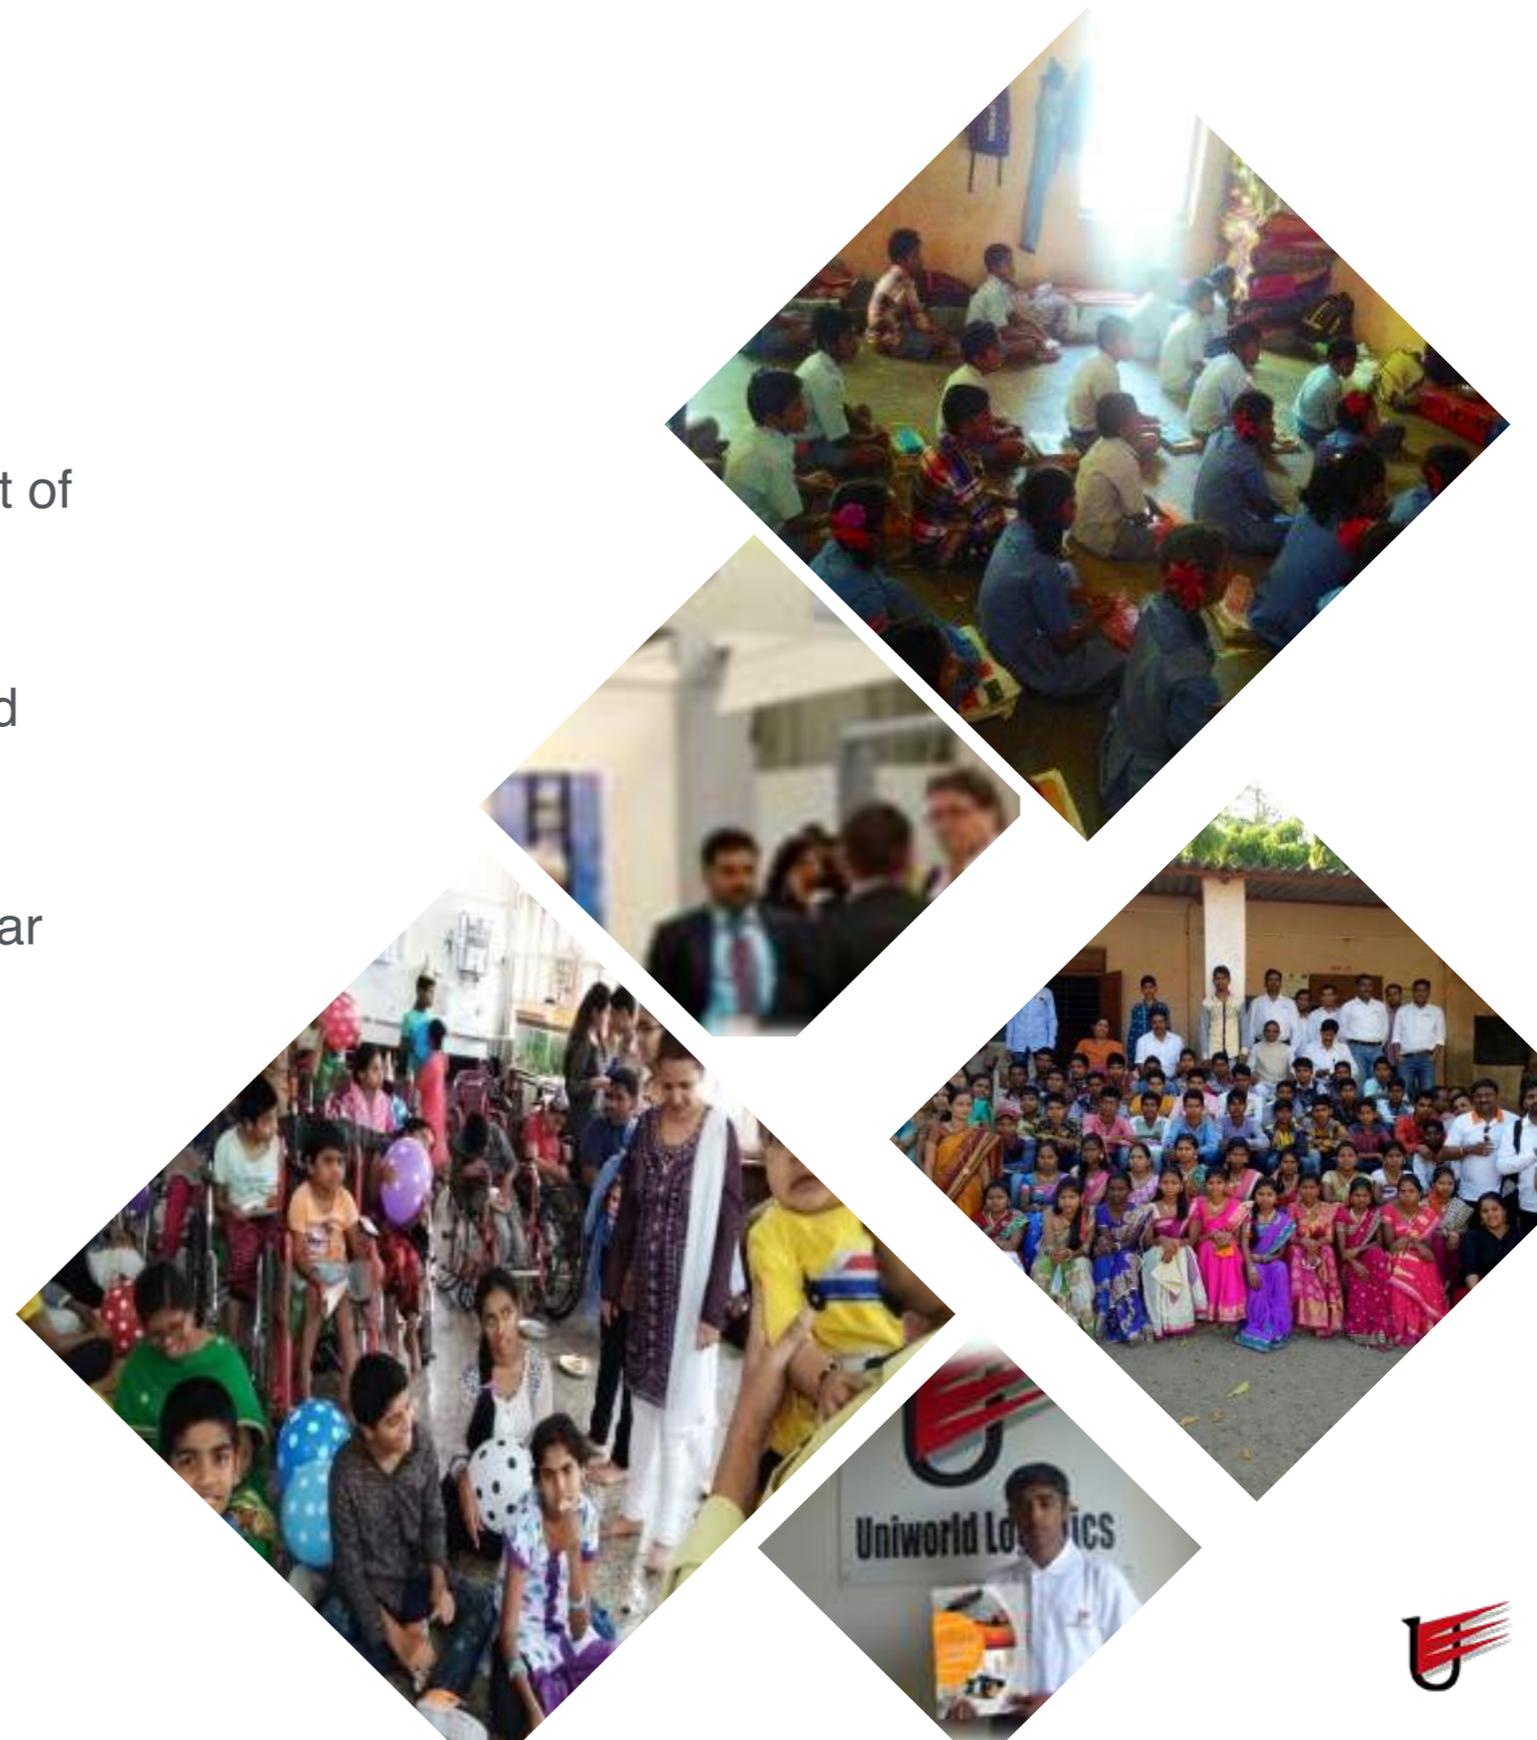

A powerful team with each individual highly charged and committed to organisational goals.

Extremely low attrition rate, average tenure of 8 years across the organisation.

Corporate **Social** Responsibilities

- Organised several blood donation camps around the country
- Contributed to the welfare and empowerment of women in Rural India
- Supplied educational books , stationeries and food for children in rural areas
- Educational Scholarships awarded every year for a selected number of Children/Individuals between the age of 5-21 years.

Thank You
